PROFESSIONAL SUMMARY

Agriculture graduate with an ongoing MS in Genetics & Plant Breeding, with experience in field trials, phenotypic evaluation, greenhouse research, and statistical analysis, Project coordination & documentation, and data modeling using R and Python. Passionate about advancing crop resilience, enhancing yield, and advocating for sustainable agricultural practices to address global challenges and ensure a secure food future.

Research interests: Bioinformatics, Plant Physiology & Stress, Global Environment & Development.

EDUCATION

- MS in Genetics and Plant Breeding, Sher-e-Bangla Agricultural University (SAU), Dhaka (Ongoing)
- BSc in Agriculture (Hons), SAU, Dhaka | CGPA 3.27/4.00 | 2022/24
- HSC (Science), New Govt. Degree College, Rajshahi | GPA 5.00/5.00 | 2017
- SSC (Science), Chatmohar R.C.N & B.S.N High School, Pabna | GPA 5.00/5.00 | 2015

SKILLS

Research & Technical: Experimental Design, Field Trials, Greenhouse & Lab Analysis, Phenotypic Evaluation, Crop Physiology, Statistical Modeling (R, Python, Excel), Data Management, Manuscript Preparation.

Agricultural Expertise: Integrated Crop Management, Precision Irrigation, Plant Breeding, Climate-Smart Agriculture, Pest Diagnosis, Sustainable Farming.

IT & Software: Microsoft Office (Advanced), Google Workspace, Linux System Administration, Networking & Hardware Troubleshooting.

Languages: Bengali (Native), English (C1 – Academic & Professional).

Soft Skills: Science Communication, Project Coordination, Technical Documentation, Presentation & Reporting, Digital Collaboration.

CERTIFICATIONS & TRAINING

- UN CC:Learn Certifications – Climate Change, Renewable Energy, SDGs (Sustainable Development Goals), Gender Equality, Human Rights and the Environment
- Crop Pest Diagnosis & Management – CABY Academy (4-week internship)
- IT Certifications – CompTIA A+, Cisco CCNA, Microsoft Office (Advanced), Linux System Administration, Troubleshooting (4-month)
- Agricultural Extension Field Trip & Workshop (5-day)
- Consumer Rights Awareness Workshop : CCS Consumers Rights Bangladesh (1-day)

RESEARCH & TECHNICAL EXPERIENCE

MS Thesis Research | SAU | 2024 – 2025

- Conducted Research on genetic variability and characterization of blackgram
- Performed Data collection, statistical analysis, and manuscript preparation

Research Assistant | SAU | 2024 – present

- Assisted in PhD project evaluating blackgram under abiotic stress conditions
- Contributed to data collection, phenotypic evaluation and laboratory analysis

WORK EXPERIENCE

Consultant | ICM Soft, Dhaka | Jan – Mar 2020

- Contributed to Farm-to-consumer distribution platform development; crop frameworks, sustainable farming, technical documentation enhancing platform efficiency.

Freelance Home Tutor | Self-Employed | Jan 2020 – Present

- Delivered tailored science lessons in both Bangla and English, developing customized lesson plans; • Improved student performance to top grades by strengthening their foundational knowledge and communication skills.

PROJECTS

CV Writer Tool | Personal Project

- Developed a web-based CV builder using HTML, CSS, JavaScript to help job seekers create professional, ATS-friendly resumes;
- Project available at: hhimel.github.io/cvWriter

AWARDS & HONORS

- IsDB-BISEW IT Scholarship Recipient (Round 65)
- Major Coursework – Genomics & Bioinformatics, Agronomy, Soil Science, Plant Pathology, Entomology, Biotechnology, Crop Physiology, Sociology, Economics, Forestry & Environment.

ACTIVITIES

- Active in university workshops on agricultural innovation, climate literacy, and SDGs initiatives;
- Contributed to research & development outreach programs;
